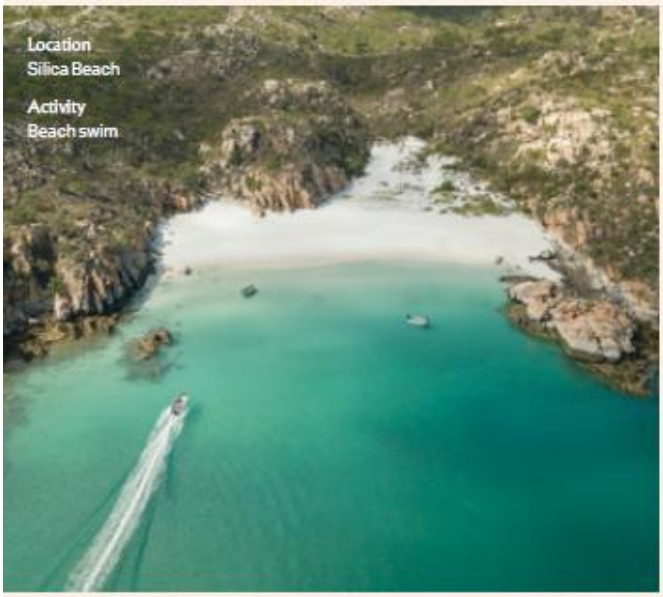
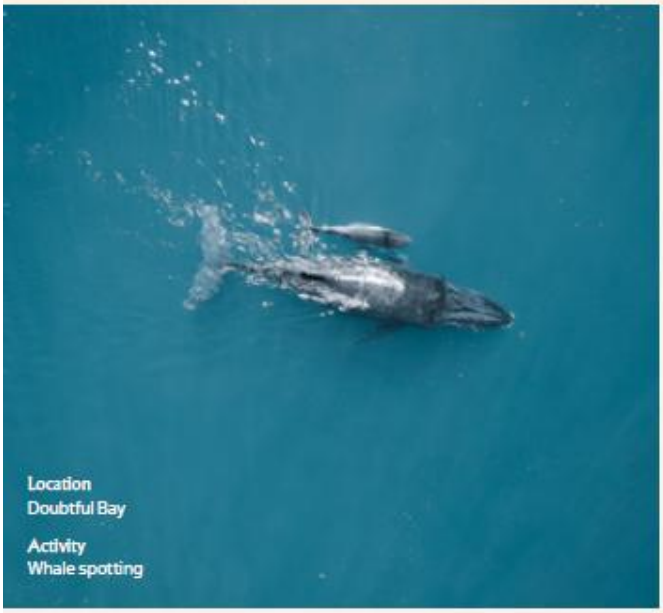
Step aboard the True North II in Broome, where our attentive crew will greet you with a refreshing cocktail. As you settle into the luxurious surroundings, enjoy the exceptional onboard amenities, including gourmet dining and spacious lounges. Then, a relaxing overnight steam to the serene Yampi Sound, where your adventure begins.

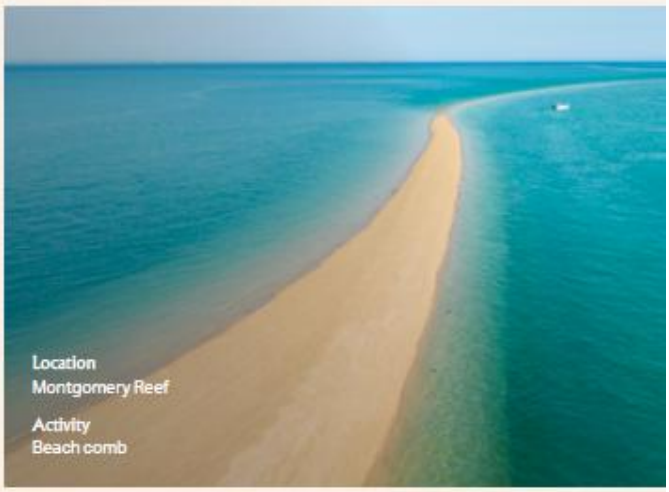




DAY 01

BUCCANEER ARCHIPELAGO

Today, we will explore the breathtaking archipelago of over 800 islands, known for its rich biodiversity, lush mangroves, and pristine white sandy beaches - home to a diverse array of wildlife. Experience stunning scenic flights over the region, including an exhilarating flyover of the iconic Horizontal Falls. Our journey also includes fishing and sightseeing tours led by the ship's knowledgeable naturalists, and a visit to the squeaky white sands of Silica Beach before we set sail for Montgomery Reef.



DAY 02

MONTGOMERY REEF

Today, you'll have the chance to rise at dawn to catch barramundi at "Three Ways," followed by a bush walk to Ruby Falls, where you can swim in its refreshing natural rock pool. Then, embark on a Heli Fishing adventure to a secret, remote location. Lunch will be served as we weigh anchor and cruise to another Kimberley icon - Montgomery Reef. Here, you'll witness a spectacular 140 square miles of coral reef rising right out of the ocean, home to turtles, dugongs, crocodiles, and a whole world of remarkable sea creatures.

DAY 03

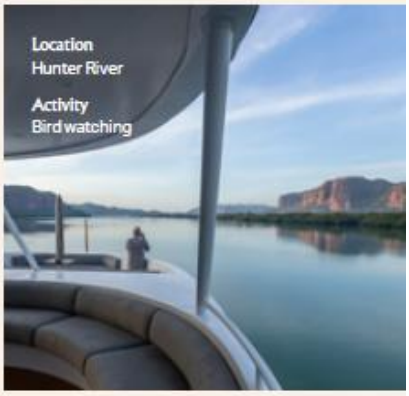
THE PRINCE REGENT RIVER

At Prince Regent River, you will have your pick of unmissable fishing spots, targeting mangrove jack and fingermark bream. Then, at King Cascade, we'll manoeuvre the vessel right under the falls for an iconic True North experience. Later, we'll head out for a bush walk that leads to incredible views and an equally incredible swim in a picture-perfect billabong, or visit the spectacular Amphitheatre Waterfall.

DAY 04

PICNIC TIME

Wake up with the sunrise. Spend the morning fishing with our experienced guides, or discover ancient rock art with our naturalist. Then, take a helicopter flight to an unforgettable picnic beside a crystal clear billabong in one of the most remote places on earth.



DAY 05

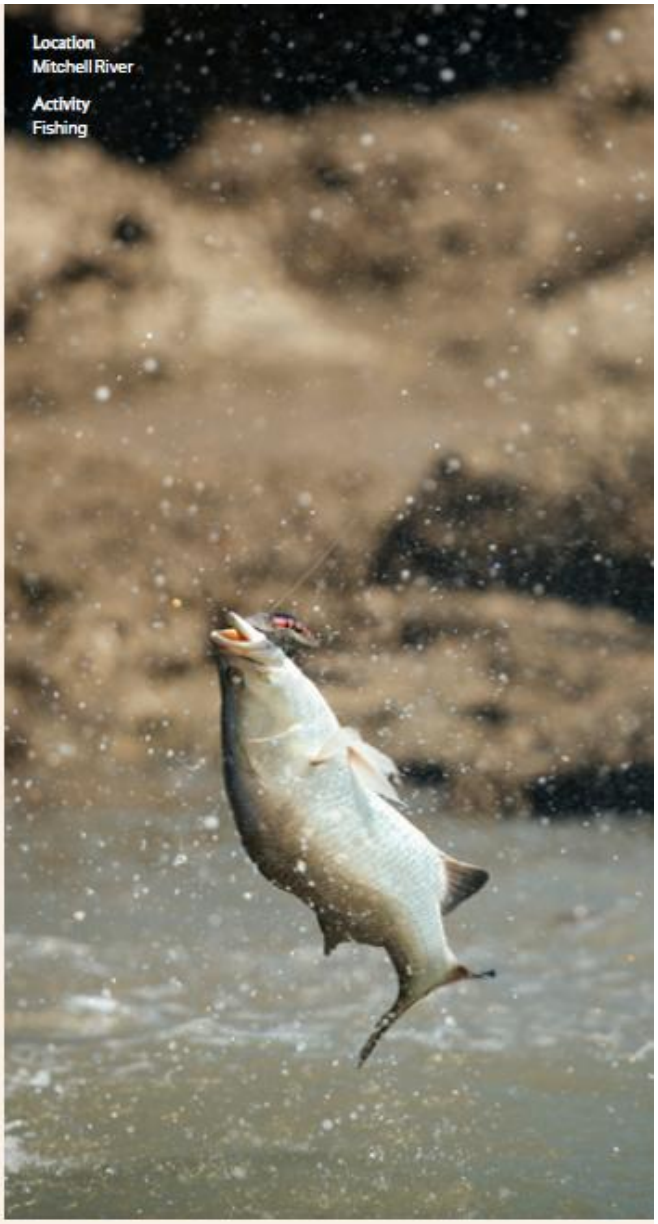
THE HUNTER RIVER

With stunning red cliffs set against rainforest and mangroves, the Hunter River offers the perfect setting for mud-crabbing, bird-watching, and exploring Embark on an exhilarating hike to the hidden Jackson Falls, or see more breathtaking views from the helicopter.
Then in the afternoon we'll set sail into Prince Frederick Harbour for sunset drinks on the picturesque Crystal Beach.

DAY 06

WINYALKIN ISLAND

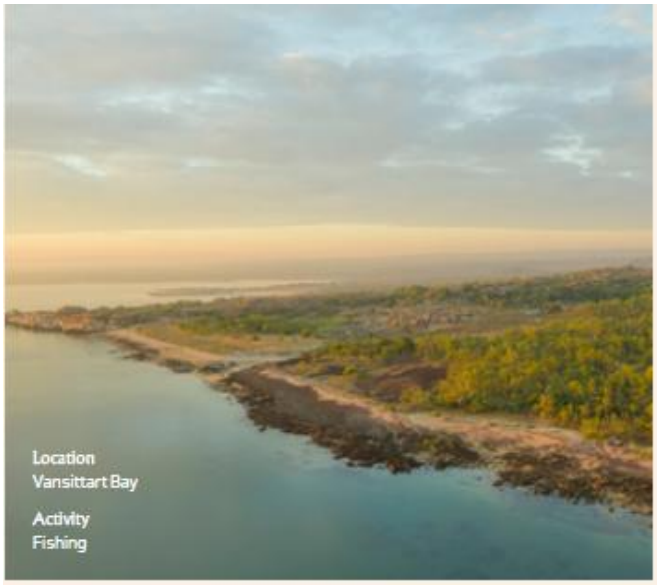
Wake up to the stunning turquoise waters of Swift Bay and join us for a hunt for the giant black-lip oyster. Then, explore the ancient Wandjina and Gwion Gwion rock art gallery, embark on a Heli Camping adventure to Cherubin Falls, or fish for light game species including queenfish, giant trevally, and mackerel.



DAY 07

THE MITCHELL RIVER

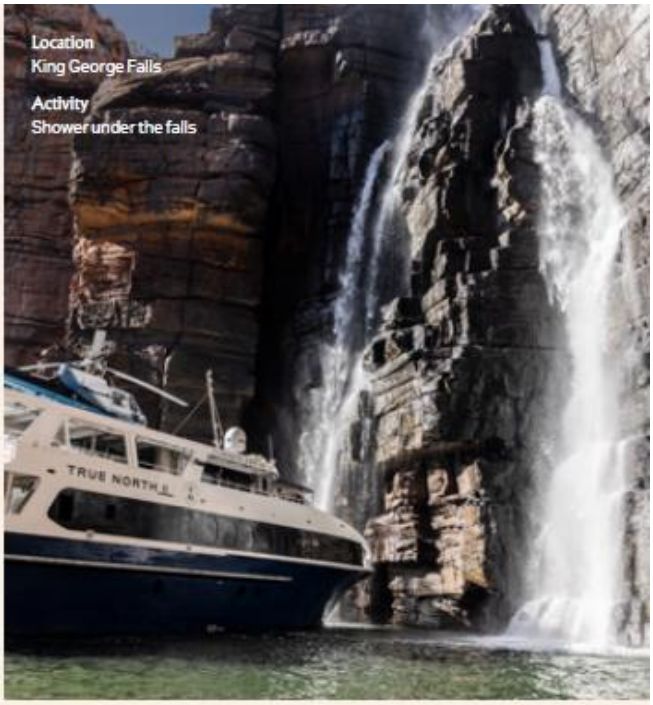
Today, we'll head upriver to the scenic Surveyors Creek, known for its big crocs. You'll then have the option to join the hunt for barramundi or hop in the chopper for a ride over the ancient landscape towards the breathtaking Mitchell Falls.

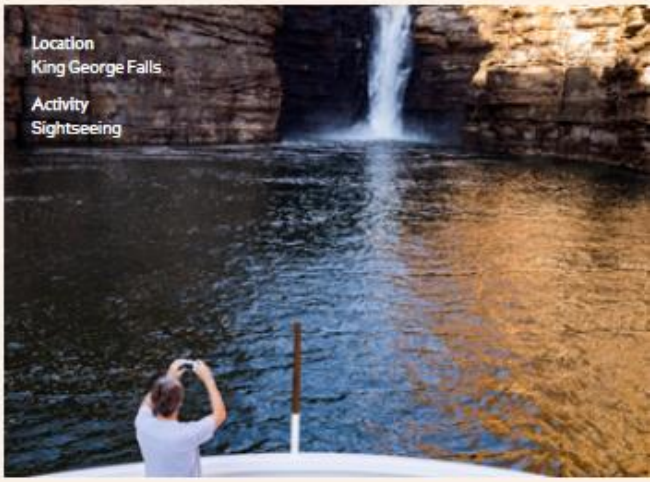


DAY 08

EAGLE FALLS

Today, we'll explore the Gwion Gwion, also known as "Bradshaw" rock art - ancient paintings that may be the oldest known to man.
Afterwards, fish for mackerel in Vansittart Bay, take a helicopter to Eagle Falls for a picnic lunch amidst breathtaking scenery, or tender to local beaches and creeks.

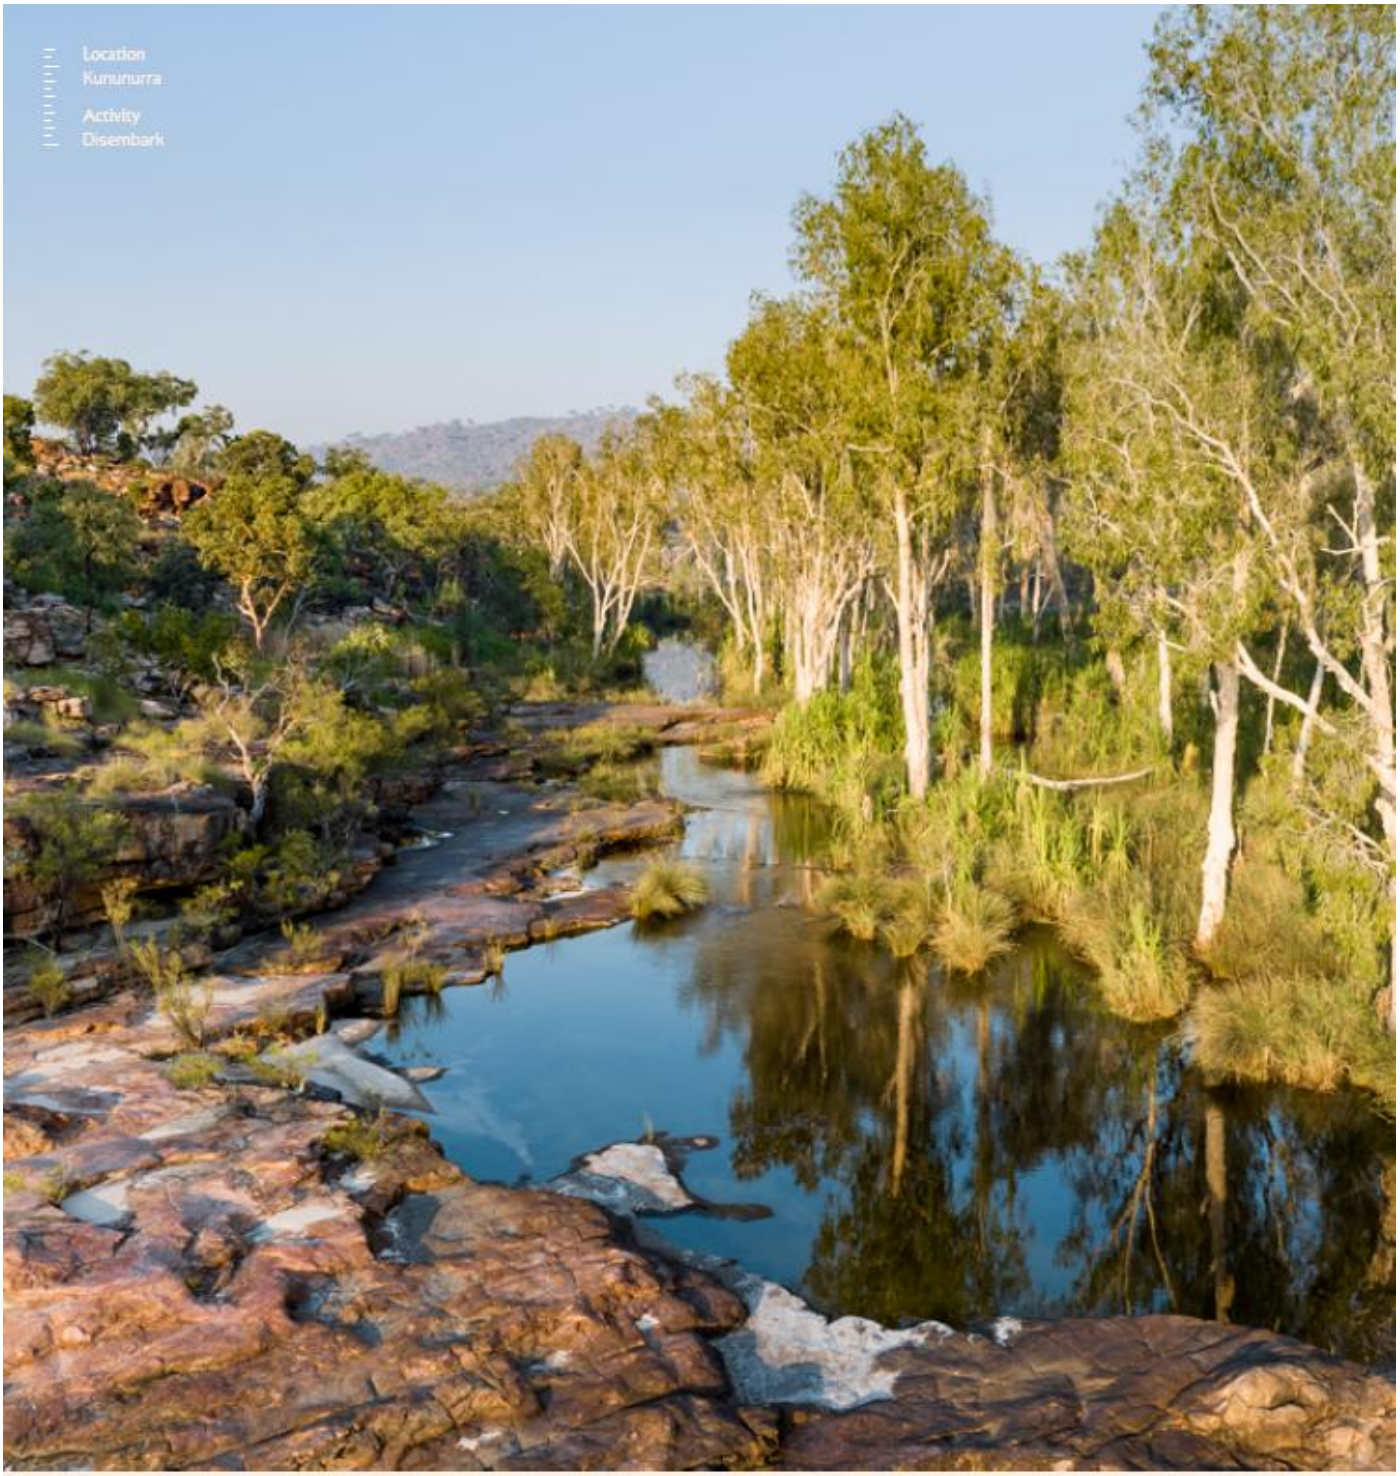




DAY 09

THE KING GEORGE RIVER

As soon as the tide is high enough at the King George, we'll cross the sandbar at the mouth to reveal even more breathtaking river vistas. Our journey upstream will take us to the spectacular King George
Falls. The captain will position True North's bow directly underneath the falls, giving our guests the shower of a lifetime. Then, hop in the ship's helicopter to enjoy a magnificent bird's-eye view of this Kimberley icon. Next, explore the serene Tranquil Bay before we continue to Wyndham.



DAY 10

TRANSFER TO KUNUNURRA

Your courtesy coach will transfer you to Kununurra, but your adventure doesn't have to end here. Our crew will be eagerly anticipating the next opportunity to welcome you aboard the True North, ready to create more unforgettable memories. Until then, we hope you carry the beauty and serenity of the Kimberley with you.
